RIGHT NOW IS OUR OPPORTUNITEA TO PARTEA
AND CELEBRATE DIVERSITEA, LIBERTEA,

CHERRY & LEMON
ICE TEA.

PS. ORGANIC AND NATURALLY BREWED IN SWEDEN

DEAR T är ett äkta iste. Omsorgsfullt handbryggt på noggrant utvalda ekologiska teer. Här är teerna i fokus, drycken är endast varsamt sötad för att tydligt bibehålla teernas smaker. Om du gillar te lika mycket som vi, så kommer du att älska **DEAR T**. Nya smaken Körsbär & Citron är ett fantastiskt läskande iste som bara måste smakas!

I år är vi stolt officiell sponsor av EuroPride.

PS. ORGANIC AND NATURALLY BREWED IN SWEDEN

DEAR T is a real iced tea, meticulously hand-brewed using carefully selected organic tea. We focus on the tea itself, adding only a little bit of sweetening to preserve the integrity of the leaves. If you are in to tea as much as we are, you will love **DEAR T**. The new flavour cherry & lemon is an amazingly refreshing ice tea that has to be tasted!

This year we are a proud sponsor of EroPride
